donates thousands to “dare to care”

Imperial Dax Company Inc. (Fairfield, NJ) reached out to help the “dare to care” alliance for children foundation this summer by donating thousands of bottles of shampoo to the needy children

of Paraguay. The “dare to care” mission supplies children with dental & medical assistance, food, clothing, toys and this year shampoo. Jim Petrucci, President of “dare to care” said “This year Dax gave us another opportunity to make these orphaned and abandoned children feel special. Some of the most basic things that we take for granted these children can only hope for. Thank you Dax for making our mission this year a little more special.”
