GOSSIP GIRL HAIR SECRETS

Do you lust after Blair's picture-perfect locks? We show you four hot styles to seal your position as leader of the pack.

SLEEK WAVES

Preparation is the key to this look. Apply **DAX Hair Therapy Thermal Protector** to wet hair to prevent heat damage, then blow dry section by section using the **BaBylissPRO Nano Titanium Ionic Dryer** with the **Brushworx Be Natural Paddle Brush**. Tip: Keep the nozzle pointed down to prevent frizz and flyaways!

THE NEW UP 'DO

Apply a few small drops of **RUSK Designer Collection Thermal Serum** to blow-dried hair; then straighten using the **Silver Bullet Black Crystal Crystalline Ceramic Straightener** for a super shiny finish. Gather hair into a low ponytail and use the **Silver Bullet** to curl the ends of your hair. Secure curls around the base of the ponytail and finish with a **Scunci No-Slip Grip Headband** to ensure your 'do stays in place all day.

SCHOOLGIRL CHIC

Keep your fringe smooth by running the **BaBylissPRO Mighty Mini Straightener** through the front section of your hair – at only 15cm long it's the perfect size for touch ups on the go. Complete the look by lightly misting **INECTO Pure Coconut Oil Glossing Spray** to reduce frizz. Tip: For a healthy glow like Blair's, don't forget to keep **Milani Sunset Duos Blush & Bronzer** in your school bag!

LUSCIOUS CURLS

For longer-lasting, super shiny curls, divide hair into small sections and wrap around the **BaBylissPRO 32mm Ceramic Curling Iron** a section at a time. Finish with a generous misting of **RUSK Designer Collection W8less Hairspray** – it will set your curls in place all day without making your hair feel hard and crunchy.
