GOSHIP GIRL HAIR SECRETS

Do you dream of having Serena's tresses? These four hot styles are sure to turn heads at school and get everyone gossiping about your locks!

QUEEN OF CURLS

For a gorgeous wavy style start by smoothing your hair with a **Salon Smart Headstart Ceramic Vent Brush** and **Parlux 3500 SuperCompact Ceramic & Ionic Dryer**. This combination of technologies will guarantee a frizz free result. Finish by creating loose curls using the award winning **BaBylissPRO 38mm Ceramic Curling Iron**.

CLASSIC CHIC

Go for the classic side 'do, first spray on **DAX Therapy Thermal Protector** to add shine and prevent thermal damage. Use the **BaBylissPRO Conical Curler** to smooth hair from roots to ends, section by section. Hold the Conical Curler vertically as this will create a professional looking curl. Secure to the side with a **Scunci No-Slip Grip No Damage Hair Elastic**.

EFFORTLESS GLAM

Glam it up! Lightly spray wet hair with **RUSK's Thermal Shine Spray** to prevent any frizz forming and to give your hair an immaculate shine, as well as thermal protection. Start by blow drying your hair with the **Elektra Sierra 3800 Ionic Dryer** and **Brushworx Be Natural Ceramic Hot Tube Brush** to encourage curl and movement. Then, grab random hair from the crown and wrap around the **Silver Bullet Black Crystal Crystalline Ceramic Straightener** to create a distinctive, defined ropy texture.

GIRL BAND

Look like you stepped out of your girl band rehearsals – shampoo and condition with **Salon Smart's Coconut Salon-Proven Formulas** to smooth the cuticle and eliminate frizz. Apply **Inecto Pure Coconut Moisture Miracle Serum** for split ends and to add some shine. Take small sections and straighten with the **BaBylissPRO Diamond Titanium Swarovski Crystal Straightener** with adjustable heat settings to suit all hair types. Finish your look with a **Scunci No-Slip Grip Headband**.
